## DEPARTMENT OF ECONOMICS

### GROUP DISCUSSION

Department of Economics conducted Group Discussion Session for I and II year students on 28.04.2022 with the aim of allowing students to walk around a concept in greater detail and learn the topic in depth and to see and evaluate their thinking skills listening abilities and how they are communicating their thoughts. The topic of the discussion is “The state of tenant farmers in view of increasing agricultural costs.” Students from both the years actively participated in this activity and discussed the pathetic conditions of tenant farmers in Andhra Pradesh. They opined that the agricultural input costs are increasing day by day but the output prices are not increasing much forcing the tenant farmers into indebtedness. They also opined that the tenant farmers are not benefitted by crop insurance and debt waiver programmers of the government as they are having no written agreements with the land owners.
