Feedback Report –2020-21

Feedback related to various aspects of College functioning and Curriculum for the Academic year 2020-21 was collected from students, teachers and alumni in online mode and from parents in offline mode. Student feedback form and teacher feedback form consists of 15 questions each while parent feedback form consists of 12 questions and alumni feedback form consists of 14 questions.

Thirty students, twenty parents, thirty four alumni and eight teachers submitted their feedback on various aspects of college functioning and curriculum. The feedback was collected and analysed by the IQAC with the help of faculty. The aspects pointed out by all the stakeholders were considered with special care and attention in analysis and preparation of report.

The analysis report reveals that:

- Stakeholders opined that new science courses are to be introduced in the college as per growing demand.
- Most of the stakeholders expressed their opinion that the present university valuation is not up to the mark and need to be improved.
- Most of the parents and students opined that the present university fees especially revaluation fee is very high and they could not afford to pay.
- Stakeholders opined that games and sports facilities in the college are to be improved.
- Most of the stakeholders expressed their opinion that the academic and overall functioning of the college is to be improved.
