Feedback Report –2022-23

Feedback related to various aspects of College functioning and Curriculum for the Academic year 2022-23 was collected from students, teachers and alumni in online mode and from parents in offline mode. Student feedback form and teacher feedback form consists of 15 questions each while parent feedback form consists of 12 questions and alumni feedback form consists of 14 questions.

Forty-eight students, thirty-eight parents, twenty alumni and eight teachers submitted their feedback on various aspects of college functioning and curriculum. The feedback was collected and analysed by the IQAC with the help of faculty. The aspects pointed out by all the stakeholders were considered with special care and attention in analysis and preparation of report.

The analysis report reveals that:

- Most of the students and parents expressed their opinion that lab facilities are to be improved and more computers are to be acquired for Computer Lab.
- All most all the stakeholders opined to improve the ICT facilities in the college as they are very much needed for effective teaching learning process.
- Most of the students expressed their opinion that the semester syllabus is to be reduced as it is very heavy and burdensome to the students and they are not in a position to cover the syllabus with in the short period.
- Most of the stakeholders expressed their opinion that the present university external evaluation is not up to the mark and need to be improved. Question papers should be confined to the stipulated syllabus only.
