**Students Centric Methods**

**(A) Experiential Learning** Pages 2-5

**(B) Participative Learning** pages 6-20

**(C) Problem Solving Methodologies** pages 21-31

## **(A) Experiential Learning**

Experiential learning is an engaged learning process whereby students “learn by doing” and by reflecting on the experience. Experiential learning activities of the college include fieldVisits , Teach Back Sessions, Study Projects based on research etc.,

In the beginning of every semester all the faculty members are well planned for conducting Experiential learning activities and the methodology to be followed. This process was Supervised by the IQAC of the College.

In Experiential learning students learn to take initiative, make decisions, get practical knowledge and be accountable for the results. Students engage intellectually, creatively, emotionally, socially, or physically.

Participative learning approach is a form of a reflective learning approach which is learner centered teaching method. This method stresses the subjectivity of learners and the self construction of knowledge.

All the departments arrange programs for learners to participate in different activities and learn on their own. Participatory methods expect a high degree of activity and personal involvement of participants in the learning process. Participative learning has advantage that they encourage better retention of learned.

Workshops, induction programs, E- classroom sessions, seminars, Quizzes , Group Discussions, Role Plays, Brain Storming, Information Collection Etc., are the some activities college organize throughout the academic year to nurture the students’ participation

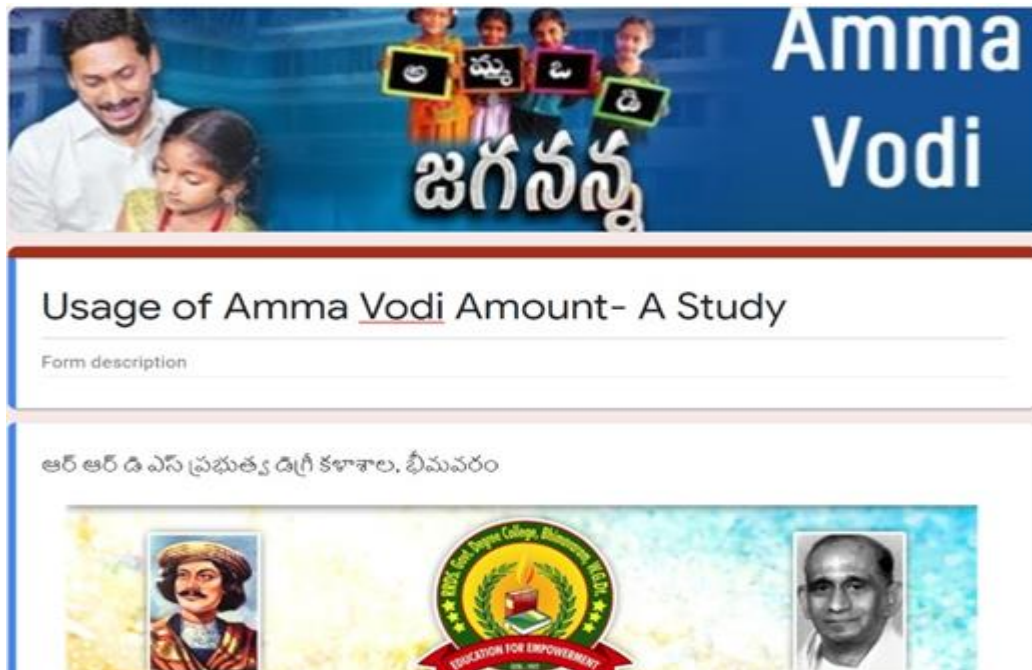

## Teach Back Sessions

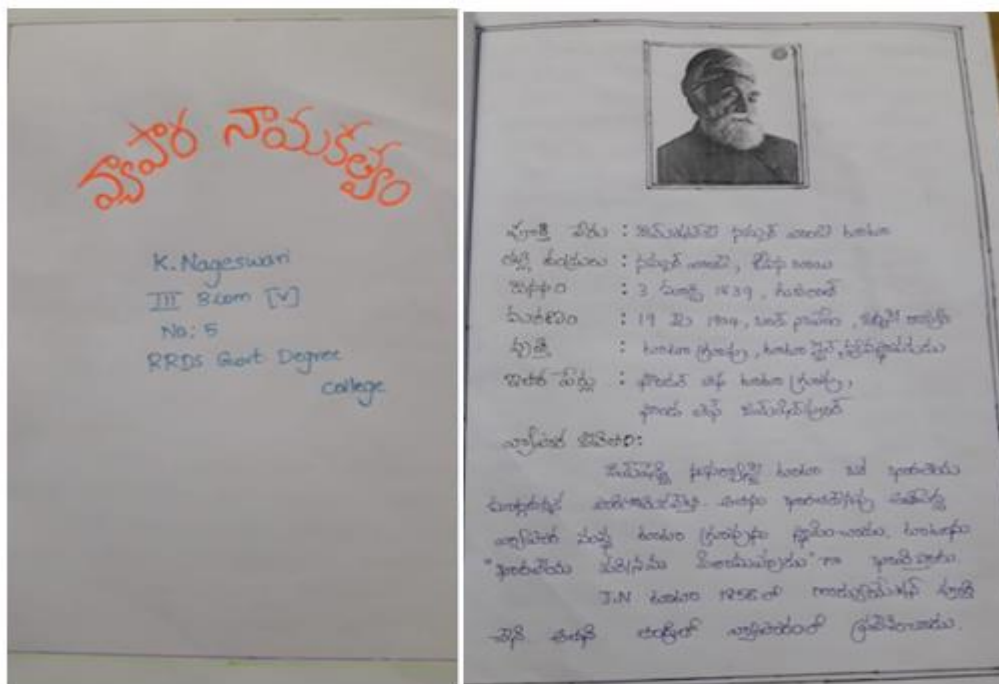

## STUDY PROJECT

Among the other activities, the dept. of Economics initiated a Study Project on the occasion of National Girl Child Day 24<sup>th</sup> January on “Usage of Amma Vodi Amount”. 242 responses exclusively from girl students have been received through Google forms so far. The analysis and preparation of the report on the findings is in progress.

**Feb. 2021 Study Project:** The dept. of Commerce guided a Study Project for I year students on 'Business Leadership'.
