Students Centric Methods

(A) Experiential Learning page 2-26

(B) Participative Learning Page 27-54

(C) Problem Solving Methodologies page 55-59

(A) Experiential Learning

Experiential learning is a learning process whereby students “learn by doing” and by reflecting on the experience. Experiential learning activities at the college are hands-on laboratory experiments, internships, field exercises, Study project, Organizing events, Seminars, Use of ICT in teaching, Training Programmes etc.,

In the beginning of every semester all the faculty members are well planned for conducting Experiential learning activities and the methodology to be followed. This process was Supervised by the IQAC of the College.

In Experiential learning students learn to take initiative, make decisions, get practical knowledge and be accountable for the results. Students engage intellectually, creatively, emotionally, socially, or physically.

Catch the Rain
[Where it falls, when it falls!]

India has now facing Adverse water crisis at present day. More than 50% Population of India doesn't have Potable water. India has 14% fresh water compare with the world fresh water. But India have 18% of world's population. so this is worst scenario!

India is high populated country it have 130 crore population and have second position has Highest populated country after china. And India use water for agriculture, Daily needs and for Industrial Purpose. According to the survey India will achieve 16 billion population by the year 2050. so it will leads to lot of water problem.

Catch the Rain initiative:

On 22nd March 2021. "Shree Narendra Modi" the prime minister of India launched "Jal Shakti Abhiyan" with a motto "Catch the Rain - where it falls, when it falls!" He says India should conserve water & manage the water resources. And he strongly believe that our country can achieve this by collective efforts of by our people.

For conserving water we need to built check dams, water Harvesting, Rain water Harvesting structures (RWHs) for conserving rain water we need to start plantation of trees, Rejuvenation of Rivers, etc.

The Rural people and tribals show proved it by their Hardwork and their vision.

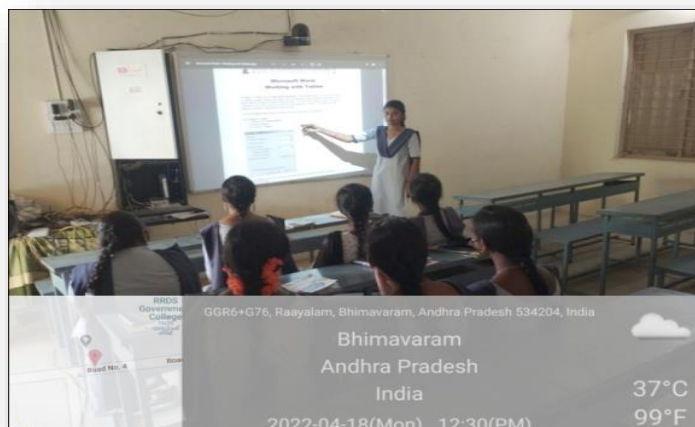

The Mr. Modi launches various programs like Navam change Mission, Jal Jeevan, Har Ghar Pani, Pradhan Mantri Krishi Sichi Yojana etc. And they want to make Jal Andolan as a Jan Andolan.

GROUP DISCUSSION

Department of Economics conducted Group Discussion Session for I and II year students on 28.04.2022 with the aim of allowing students to walk around a concept in greater detail and learn the topic in depth and to see and evaluate their thinking skills listening abilities and how they are communicating their thoughts. The topic of the discussion is “The state of tenant farmers in view of increasing agricultural costs.” Students from both the years actively participated in this activity and discussed the pathetic conditions of tenant farmers in Andhra Pradesh. They opined that the agricultural input costs are increasing day by day but the output prices are not increasing much forcing the tenant farmers into indebtedness. They also opined that the tenant farmers are not benefitted by crop insurance and debt waiver programmers of the government as they are having no written agreements with the land owners.

GROUP DISCUSSION on 20-06-2022

Group discussion for all the three years of BA students was conducted on 20-06-2022. The topic of the discussion was “Economic Crises in Sri Lanka”. Students formed into three groups and discussed various issue related to present economic crises in Sri Lanka. The students opined that the Sri Lankan economic crisis is an ongoing crisis in the island-state that started in 2019. It is the country's worst economic crisis since its independence in 1948. It has led to unprecedented levels of inflation, near-depletion of foreign exchange reserves, shortages of medical supplies and an increase in prices of basic commodities.
