

RRDS GOVERNMENT DEGREE COLLEGE

BHIMAVARAM, W.G.DT, ANDHRA PRADESH

Affiliated to Adikavi Nannaya University, Rajahmundry

NAAC accredited with Grade "C" (CGPA 1.74 –First Cycle)

2019-2020

Students Centric Methods

(A) Experiential Learning pages 2-8

(B) Participative Learning Pages 9-19

(C) Problem Solving Methodologies pages 20-23

(A) Experiential Learning

Experiential learning is a learning process whereby students “learn by doing” and by reflecting on the experience. Experiential learning activities at the college are field exercises, Study project, Organizing events, Seminars, Teach Back Sessions, Use of ICT in teaching, Training Programmes etc.,

In the beginning of every semester all the faculty members are well planned for conducting Experiential learning activities and the methodology to be followed. This process was Supervised by the IQAC of the College.

In Experiential learning students learn to take initiative, make decisions, get practical knowledge and be accountable for the results. Students engage intellectually, creatively, emotionally, socially, or physically.

Training Sessions On YOGA

Participative Learning

Participative learning approach is a form of a reflective learning approach which is learner centered teaching method. This method stresses the subjectivity of learners and the self construction of knowledge.

All the departments arrange programs for learners to participate in different activities and learn on their own. Participatory methods expect a high degree of activity and personal involvement of participants in the learning process. Participative learning has advantage that they encourage better retention of learned.

Workshops, induction programs, E- classroom sessions, seminars, Quizzes , Group Discussions, Role Plays, Etc., are the some activities college organize throughout the academic year to nurture the students' participation.

Student Seminar 16.09.2019

A student seminar was organized on 'Joint Hindu Family Business' by the department. Ten students participated from I year while six of them presented papers. An interaction with Sri C. Ravisanker, Head, Dept. of Commerce and Kum. P. Saisupraja, Guest Faculty in Commerce followed.

RRDS GOVT. DEGREE COLLEGE

Education for Empowerment

INFORMATION & COMMUNICATION TECHNOLOGY (ICT) POLICY

ICT

Information and Communication Technology (ICT) includes any electronic device or application used to communicate, create, disseminate, store or manage information such as text, images, audio or video. Examples include: Personal computers and laptops; Mobile devices such as mobile phones and tablets.

POLICY

Students have the right to learn in a safe environment, including when they have access to ICTs to enhance their learning. RRDS College is committed to the responsible and educational use of ICTs and to the protection of students by providing secure access to these services as part of their learning experience. It is our policy that:

- The use of ICTs be managed through a 'whole of college community' approach involving students and staff;
- ICT education strategies be implemented within the college on a continuous basis with a focus on teaching age-appropriate skills and strategies to empower staff and students to ensure appropriate use;
- Staff establish positive role models in the use of ICTs;
- Appropriate use of ICTs; and
- Our ICT policy is reviewed on an annual basis against best practice.

ICT MISUSE PREVENTION STRATEGIES

- Approval must be sought before connecting privately owned ICT equipment and devices to college networks to avoid the risk of malware;
- Inappropriate usage by students including • Participation in non-educational activities such as the purchase and/or sale of products or services; • Illegal activities such as threatening the safety of others or engaging in criminal activity; • Tampering with or damaging computer hardware or software; • Making, installing or downloading copies of software that is not licensed by the college; and • Playing computer games (non-educational) is barred.
- The college reserves the right to monitor, traffic and review all content sent and received on the college systems;
- Posters promoting appropriate ICT use are displayed strategically within the college.
