IQAC is working to evolve mechanisms and procedures for:

- Ensuring timely, efficient and progressive performance of academic, administrative and financial tasks
- The relevance and quality of academic and research programs'
- Equitable access to and affordability of academic programs for various sections of society
- Optimization and integration of modern methods of teaching and learning
- The credibility of evaluation procedures
- Ensuring the adequacy, maintenance and functioning of the support structure and services
- Research sharing and networking with other institutions

The functions of the IQAC are:

- Development and application of quality parameters for various academic and administrative activities of the institution like results, admissions etc.
- Facilitating the creation of a learner-centric environment conducive to quality education and faculty maturation to adopt the required knowledge and technology for participatory teaching and learning process like FDPs, trainings etc.
- Arrangement for feedback response from students, parents and other stakeholders on quality-related institutional processes
- Dissemination of information on various quality parameters of higher education
- Organization of inter and intra institutional workshops, seminars on quality related themes and promotion of quality circles like team work etc.
- Documentation of the various programmes/activities leading to quality improvement
- Acting as a nodal agency of the Institution for coordinating quality-related activities, including adoption and dissemination of best practices
- Development of Quality Culture in the institution
- Preparation of the Annual Quality Assurance Report (AQAR) as per guidelines and parameters of NAAC, to be submitted to NAAC

IQAC will facilitate/contribute to:

- Ensure heightened level of clarity and focus in institutional functioning towards quality enhancement
- Ensure internalization of the quality culture
- Ensure enhancement and coordination among various activities of the institution and institutionalize all good practices
- Provide a sound basis for decision-making to improve institutional functioning
- Act as a dynamic system for quality changes in HEIs
- Build an organized methodology of documentation and internal communication

IQAC meetings - 20 last five years.

The IQAC worked on to get Carbon Footprint Audit Certificate.

The IQAC worked on to get Environment Audit Certificate

The IQAC worked on to get Green Land Space Audit Certificate.

Feedback forms for students, teachers, parents and alumni are prepared and Feedback is collected by IQAC committee.

Lockdown Period - As per the directives of the Krishna University and CCE-AP, Work from home guidelines were issued from mid-March 2020. Accordingly, the teachers have been engaging in various academic pursuits and the details were being conveyed to the college authorities on a regular basis. Teachers also attended and participated in many Webinars and Faculty Development programs during this period. Webinars were also organized by our teachers for the benefit of our students and the teaching community. During the Lockdown period, teachers could complete a considerable amount of their syllabus by engaging the students in online lectures using Zoom and other technology. National Webinar on "Economic Impact of Covid-9 & Skills for Future and New Ways of Working" has been conducted in the college on 18.07.2020 with the help of IQAC.

Peer Team Report

Incremental Improvements

Peer Team Report - Recommendations 2015	Incremental Improvements
The institution requires more space for development as well as for indoor and outdoor games	The institution is situated in only 40 cents and there is no scope for more space for development. The institution has entered into MoU with CSN Degree College for utilisation of ground for games and sports
Library needs more space and should subscribe to national and international journals.	The institution has inflibnet facility and important journals are available online to the students and faculty. Subscribed to some magazines which are useful to students.
Faculty members need to participate in FDPs and should be encouraged to undertake Ph.D.	All the faculty members attending FDPs, ToTs and RCs. Majority of the faculty are having Ph.Ds.
IQAC needs to be strengthened by involving different stakeholders	Alumni, CPDC members, Industrialists, Chartered Accountants and NGOs are involved in IQAC
College may consider starting UG programmes in science and PG programme in Commerce.	B.Sc MPCs and BZC programmes are started from the year 2021-22
Research activities to be developed through initiatives like seed-money for research, awards and recognition for faculty members who contribute to research.	Incubation Centre for research has been established. Research activities are promoted through CSPs and Socio-economic surveys
Being a co-educational college, Sexual Harassment Complaints Cell has to be established	Sexual harassment Cell is established in the college. As the mentor-mentee relationship is very strong, there is no scope for ragging in the college.
Use of ICT/audio-visual aids in smart classrooms needed.	Online teaching classes has been taken up during the time of Carona pandemic. Each faculty has taken up LMS classes as per the time-table. All the faculty members has prepared PPTs and video lessons.
Soft skills to be made mandatory for all students	Soft Skills and Skill Development courses are made mandatory and part of new curriculum
Provision of hostel facilities for boys and girls will increase student intake.	Government Hostel facility for SC, ST and BC students are available in the town with in two kms radius.

In addition to implementing the recommendations made by peer team, the institution has imitated many Incremental developments during the post accreditation period. Some of them are as follows.

- IQAC has been strengthened and it has taken a number of initiatives to enhance the academic quality of the institution.
- The college started offering CBCS syllabus from the academic year 2017-18 onwards.
- The institution entered into MOUs with various educational institutions, Government Departments, NGOs and industrialists in order to enhance the learning abilities of the students and to acquire internships for students.
- Students are offered number of online and offline Certificate Courses in order to harnessing their entrepreneurship abilities.
- Coaching for Competitive Exams and PG CETS in various subjects is imparted to improve students progression to Higher Education and provide employability skills.
- The institution is certified for Environment Audit, Energy Audit and Green lans Scape Audit in the year 2022-23.
- A monthly News Letter “Vidya Vahini” was started in the year 2022.
