LIBRARY BEST PRACTICE-2

1. Title of the Practice:

"Contemporary Issues with Special Reference to India and the World: Creating Awareness among Students"

2. Goals:

Aims & Objectives: The main goals of **Contemporary Issues** are to create awareness among students on various topics

Objectives of learning

To increase the awareness among the students on various subjects, Update News in daily newspapers, especially economic aspects, science and technology, politics, environment, social aspects, competitive examinations, Career guidance providing news articles on social media News so on. More than two one hundred students are directly viewed and shared daily. The main purpose is to increase. Through this whatsapp status one can increase the update their knowledge on understanding of various subjects and increase to create interest in competitive exams.

The context

Most of the college students are poor students from rural areas. The main objective is to educate students on various subjects and increase subject

knowledge by sending updated information through WhatsApp Status to improve the skills required to succeed in competitive exams.

The Practice

- Some students share their knowledge by sharing the information sent through this WhatsApp. This information is very useful for students and lecturers.

Problem Encountered

- By learning new things from time to time, you can increase your knowledge and solve problems easily.
- Can easily face competitive exams.
- Knowing about career guidance helps students to choose good courses.
- Apart from getting the latest information about various subjects, the students can use that information according to their needs.
- Keeping the poor students in mind, we aim to develop awareness in all subjects and prepare them to face competitive exams.
