## Name of the Program :- Awareness Program on Artificial Intelligence (AI)

Date	09.09.2025
Name of the activity	Awareness Program on Artificial Intelligence (AI)
Resource person	Sri Muarali Krishna, AI Innovation Hub
Conducted through	The Department of Computer Applications & Science
Students Participated	44
Brief Report	<p>The Department of Computer Applications &amp; Science of RRDS Government Degree College, Bhimavaram, located in West Godavari, organized an Awareness Program on Artificial Intelligence (AI) for students and faculty. The program started with the Principal's opening remarks highlighting the importance of AI in modern education.</p> <p>The resource person, Sri Muarali Krishna from AI Innovation Hub, explained the basic concept of AI and its applications in different fields. He also discussed how students can use AI tools for learning, research, and improving productivity.</p> <p>The session also introduced various categories of AI tools and their educational benefits. The program was attended by faculty members and students and concluded with an interactive discussion. Overall, the program helped participants gain basic awareness about Artificial Intelligence and its importance in education.</p>

<b>Brief Report</b>	<p>The Department of Computer Applications organized an Awareness Program on <b>Women in Leadership</b> on 16 March 2026 with great success. The session was addressed by <b>Soumya Velayudam, Director at KPMG</b>, who shared her professional insights and leadership experiences.</p> <p>During the session, she emphasized the significance of self-confidence, effective communication, and strong decision-making abilities in achieving leadership positions. She also discussed the various challenges women may encounter in their careers and suggested practical ways to handle them.</p> <p>The program saw active involvement from both students and faculty members, making the session engaging and interactive. The program proved to be highly beneficial and motivational. It inspired students, especially women, to aspire for leadership roles, enhance their personal and professional skills, and pursue their career goals with confidence.</p>
