## 7.3: Institutional Distinctiveness

The distinctiveness of RRDS Government Degree College, Bhimavaram lies in the exceptional academic experience that it offers to its students through various curricular, co-curricular, and extra-curricular platforms. The institution strives to achieve holistic development of the students which is viewed as imparting education as per standards and at the same time helping them to develop social skills, soft skills, awareness of the contemporary society and also knowledge of their rich and varied heritage to become psychologically strong and morally perfect citizens. The following are the various activities organized for the holistic development of students.
